#wit17

#womenintechfi

What inspires you in technology?

Make the impossible possible :-)

#wit17

#womenintechfi

What inspires you in technology?

I believe technology can not only make our lives easier and better, but also solve the biggest problems we have on this planet such as climate change.

#wit17

#womenintechfi

What inspires you in technology?

It's the future, that's all.

#wit17

#womenintechfi

What inspires you in technology?

I find the rapid change and constant development of different technologies very inspiring. Many things that were utopistic when I was a kid are now a norm!

#wit17

#womenintechfi

What inspires you in technology?

You get to be creative
and challenge yourself.

#wit17

#womenintechfi

What inspires you in technology?

I find the rapid change and constant development of different technologies very inspiring. Many things that were utopistic when I was a kid are now a norm!

#wit17

#womenintechfi

What inspires you in technology?

You don't learn to walk by following rules, but by doing, and by falling over.

#wit17

#womenintechfi

What inspires you in technology?

Technology creates huge possibilities in all different industries and in the end every company will become a technology company.

#wit17

#womenintechfi

What inspires you in technology?

**It is what I live and
breathe, both at work and
at home.**

#wit17

#womenintechfi
